WASHINGTON, Aug. 24, 2016 /PRNewswire/ -- Clutch has published a report highlighting the leading full-service digital agencies and mobile application developers in Philadelphia. This release is the latest in a larger series of reports focused on identifying leading agencies at the city level. Each company in this list was evaluated by a Clutch analyst on multiple criteria, including market presence, portfolio of work, and client satisfaction.

The leading digital agencies are: Delphic Digital, Square 2 Marketing, Brolik, FVM, Firestorm SEM, 1SEO.com Digital Agency, True Voice Media, Cadient Group, MProven, and Social Vantage.

The leading mobile app developers are: Stuzo, Iperdesign, Inc., Invonto LLC, TeliApp Corporation, New Haircut, Cadient Group, and PromptWorks.

"A company's digital presence has a huge impact on customer acquisition and retention," said Clutch Analyst, Alexa Rosenstein. "A high-quality app, intuitively-designed website, or multifaceted digital campaign can make the difference. The companies in this list have been able to deliver value to their clients through many different digital mediums."

Full-length profiles and client interviews are published on Clutch.co. Clutch's effort to identify leading agencies is ongoing, and the firm encourages companies to apply for inclusion in future research. Upcoming press releases will feature Australia App Developers and SEO Consultants.
